## About me

I am a multidisciplinary designer who's experience ranges from creating powerful digital products to developing compelling brand identities. In my hands, every project is approached with focus and dedication, putting purity and smart aesthetics at the centre. In addition to my technical prowess, I am a team player and a rational problem solver as well as an effective communicator, able to make sure that any visual project is handled smoothly on every level.

## Professional skills

Adobe CC	Sketch
Photoshop	Marvel
Illustrator	HTML basics
InDesing	CSS basics

## Education

Graphic design BA  
at Vilnius Academy of Arts  
2008—2012, Lithuania

Graphic design BA  
at Lahti University of Applied Sciences  
2011—2012, Finland

## Product Designer at Vinted

2016—present, Vilnius

Here at Vinted I am responsible for ensuring delightful user experiences at the centre of everything we do and produce. In addition, wireframing, problem solving, designing and testing assumptions are also fields of mine. Primarily, my task at Vinted is to take broad, conceptual ideas and turn them into simple and well-crafted experiences that Vinted community of 12 million people enjoy on a daily basis.

## Senior Designer at Tape studio

2014—2016, Vilnius

Back at Tape studio I was responsible for digital art direction and user experience across a variety of projects. Completed projects include the Western Union iOS application, Lithuania Post website, Facelift, last.fm motion graphics, and Spire app's visual concept.

## Co-founder and designer at a clothing brand labàdienà

2012—present, Vilnius

As a co-founder I am responsible for almost everything. This includes all kinds of designing – from clothing to website or lookbook design - moving on to more day-to-day tasks such as photo/video art direction and event management.

## Self-employed freelance Designer

2011—2014, Vilnius

My freelance experience found me working closely with a number of brands as well as non-commercial projects. Building identities, websites, creating illustrations, logotypes, posters and editorial designs was my main professional focus.

## Junior Designer at DADADA studio

2010—2011, Vilnius

At DADADA studio I mainly worked with commercial advertising projects in line with creating identities for various brands, retouching photos, designing print materials, and participating in graphic design competitions.
